SUMMARY

Results-driven Web Developer with 5+ years of experience in WordPress, Shopify, Webflow, WooCommerce, and Squarespace. Strong background in front-end (HTML, CSS, JavaScript, React JS) and back-end (PHP, ASP.NET, C#) development. Skilled in UI/UX design, database management (MySQL, Firebase), and server management. Experienced in both freelance and corporate projects, delivering high-quality, scalable websites for global clients. Currently expanding expertise into AI and automation, working with OpenAI API, n8n, and related technologies to integrate intelligent automation into web solutions.

EXPERIENCE

JBS Americas & Europe, Senior Web Developer

Jul 2022 - Jul 2025

Developed custom CMS solutions (WordPress, Shopify, Webflow) tailored to client requirements. Converted Figma/Adobe designs into responsive websites with HTML, CSS, JS, Bootstrap, React. Customized WordPress plugins, Shopify themes, and integrated APIs for extended functionality. Enhanced site performance with speed optimization, mobile responsiveness, and security best practices.

BitsWits Pvt Ltd, Senior Front-End Developer

Oct 2021 - Jul 2022

Oversaw website operations and delivered custom CMS projects for multiple clients. Designed and implemented user-friendly interfaces, boosting customer engagement. Customized plugins/themes to improve functionality and meet client-specific goals. Optimized websites for speed, mobile experience, and search engine visibility.

QLabs Network, UI/UX Engineer

Sep 2020 - Sep 2021

Conducted user research to design intuitive, visually appealing interfaces. Built responsive applications using HTML, CSS, JavaScript. Established design systems and component libraries for consistency across projects.

TeraHz Solutions, Intern

Jun 2020 - Aug 2020

Assisted in web development projects using C# and .NET. Collaborated with team members to understand requirements and deliver functional prototypes.

EDUCATION

Iqra University

Bachelor of Science in Computer Science • 2017 - 2020
